

THE
PLANT DAO

What is Plant DAO?

The Plant Dao exists to plant trees and provide rewards to holders for being part of an amazing cause. The world is faced with ecological crisis due to deforestation. The Plant Dao will implement a tax on transactions that will be used to donate to reforestation efforts.

ROADMAP

The Plant Dao will aim to partner with open world metaverse projects. We will be developing our own graphic game asset NFTs of trees, shrubbery, and green spaces that can be easily implemented into open world spaces.

REWARDS

Holders will be rewarded with:

✔ **Reflections**

Reflections will be implemented as well as that feel good feeling that comes with knowing you contributed to reforesting the world

✔ **Whitelist to Mint**

The first 2000 holders will be whitelisted for the exclusive Tree NFT mint.

✔ **Social media contest**

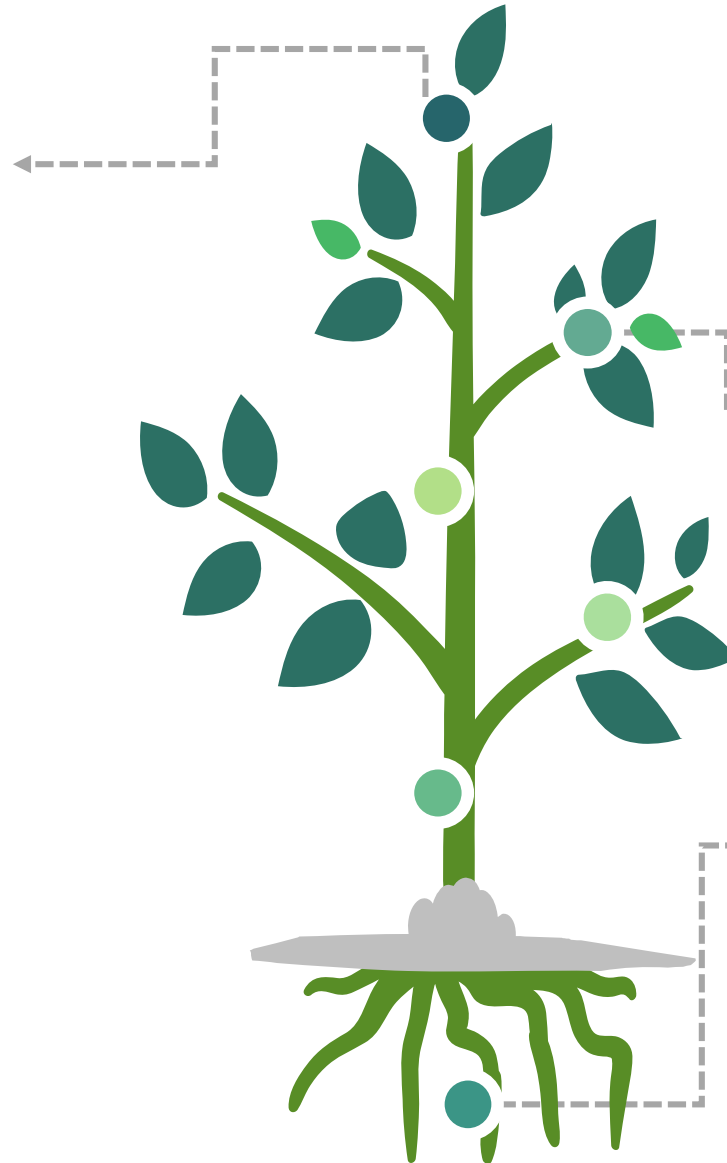

Twitter, Instagram, and other social media contests revolving around planting trees in real life.

WHERE DO THE FUNDS GO?

1. The Plant Dao will be making donations to environmental protection organizations.

2. Development of TREE game assets to be used across open worlds in multiple game engines.

3. LAST BUT NOT LEAST: THE DAO WILL VOTE AND DECIDE WHICH ENVIRONMENTAL ORGANIZATION TO DONATE TO

THE TEAM

The team has a vast amount of experience within the blockchain space. For those of you that know us.

Please refrain from doxxing anyone until we reach a 100 million dollar market cap. At the time we reach \$100m MC. At least a few of the members of the team will be hosting a live AMA to reveal ourselves to the world.
